

BIOGRAPHY

25 year old up-n-coming rapper Etoc is turning heads in the Hip-Hop circuit with his dynamic delivery and witty wordplay. This spellbinding young gunner is originally from Providence, RI and now living in Orlando, FL.

<u>Etoc</u> is a true rap phenom who has music running through his veins and is turning heads in the Rap game since he launched his career. His clever lyricism, magnetic delivery, efficient wordplay and irresistible personality have already earned him acclaim among Hip-Hop aficionados in his hometown and beyond.

Within 2 years after officially starting his music career and uploading songs to DSP retailers, the aspiring wordsmith was able to generate over 2.000.000 streams and more than 41.000 followers on Spotify. Furthermore, his blazing singles earned him radio airplay on major FM radio stations in Europe. Moreover, Etoc has been featured in Hip Hop Weekly, Yo! Raps, Hip Hop Stardom, TRUE Magazine and more prestigious publications.

"The general response to my songs is overwhelming! I am truly grateful for all the love and support. I hope all the listeners and fans got positively impacted by the message I am relaying in my music."

Influenced by Eminem for his lyricism, Nas for his storytelling, and J. Cole for his immense talent, the multi-dimensional and captivating lyricist describes his Rap style as relatable, in depth, and experimental. Authenticity is the key to his growing success. Etoc doesn't create cookie cutter radio songs. Instead, he concentrates on producing passionate songs from his heart and soul.

Etoc is here to break through the monotony and staleness of the current Hip-Hop landscape. His grind is relentless and his vision is crystal clear. He is on a mission to take Hip-Hop to new levels!
